

Hello Parents!

Your kids are doing awesome in their preparations for the musical in just 2 short weeks! Here is a copy of the rehearsal schedule and all important information below. Please sign the bottom strip and send it with your child on Sunday so they can earn 2 Discovery Dollars. I know we've been practicing these songs for a long time, but there are still some parts where they are getting ahead or behind on the music, so please encourage your children to practice at home with their cd and on the rehearsal website. We're also offering discovery dollar rewards for those children we can hear sing and get every word correct! They are doing great and I've really enjoyed working with them!

REHEARSALS:

I have read the above information and have all dates on my calendar, I will make sure my child knows all the words to the songs, the motions, solos and speaking parts. We will pray that this musical is to the glory of God and for those who see us, see Christ and hear the message from this musical and for any that come to know Christ as their Lord and Savior.
